Features and Specifications

WIDE 34" DECK SAVES TIME Deep fabricated deck cuts your yard with a professional striped look in less than half the time of 21" mowers.

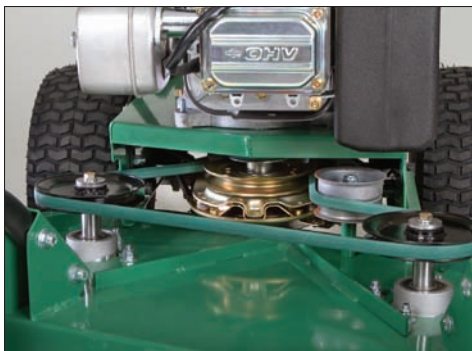

BAFFLED 2 BLADE DECK Requires no timing unlike competitive units and clears cut grass like a dream.

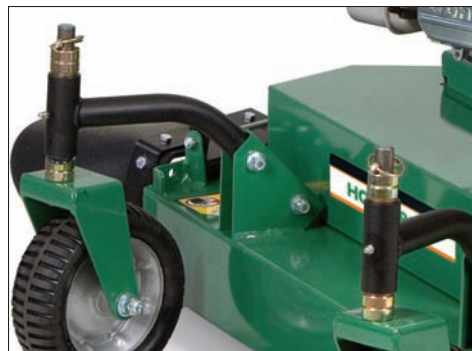

SPACE SAVING Easily fits in your shed, 2 car garage or trailer, compared to larger ride-on units. Same length as most 21" mowers. The engine recoil unit is ideally positioned for easy rear pull starting.

LARGE TURF TIRES Pneumatic tires for maximum grip in all 3 forward and reverse gears with low turf impact.

SERVICEABILITY Only one drive belt and one cut belt, plus integrated blade brake clutch for ease of service. Extended oil drain for clean, quick oil change.

EASY HEIGHT ADJUSTMENT Easy change front and rear height adjust for seasonal cut changes. Supported by heavy gauge tubular caster arms with grease zerk for durability and long life.

OPTIONAL MULCH KIT (Part No. 521400) Shreds clippings into tiny pieces for environmentally friendly mowing.

OPTIONAL GRASS CATCHER (Part No. 521401) Large capacity is easy to attach and easy to dump.
